

NEW BEDFORD POLICE FIRE ON CROWD OF 300

NEW BEDFORD, Aug. 26.—Several men were shot, a score or more got broken heads and eighteen arrests were made to-day in a bloody clash between a force of strikers and a squad of police. The police fired about sixty shots. Many of the strikers would have been killed had not most of the shots of the police been fired over their heads.

The exact number who were hit with bullets could not be learned as the wounded slunk away to their homes and the result of the clash is being kept from the police.

TON STREET, BOSTON

GREAT CROWD AT MARSHFIELD ON FINAL DAY

MARSHFIELD, Aug. 26.—To-day was the third and final day of the fifty-fourth annual meeting of the Marshfield Agricultural and Horticultural Society. The crowd was one of the largest yet seen here. They came in from the largest part of the county and the surrounding towns. The entire surrounding country was covered with people. Before the day was over fully 6,000 persons were gathered on the exhibition grounds.

Judge Harle of East Bridgewater, who has declared himself for Congress, was here early and met with a great reception. He was the guest of the Hon. J. H. Abington, another aspirant for congress. The speaker was also here, and was enthusiastically received.

Thomas Thatcher, president of the agricultural society, made a fine address, and spoken of as a Democratic candidate for congress. He was not allowed to finish the chapter on the subject of the
